

IX INTERNATIONAL BIENNIAL MEETING

"Endoscopic surgery: The revolution continues"

Dedicated to Daniel Dargent

THURSDAY 27 MAY 2010

12.00 – 15.00 Registration

15.00 – 15.30 Opening Ceremony – Welcome from the Authorities address

I SESSION: NEW ADVANCE IN HYSTEROSCOPY

President: L. Mencaglia (Italy)

Chairmen: I. Mazzon (Italy)

15.30 Keynote lecture: Hysteroscopy in the 21st century – L. Mencaglia (Italy)

16.00 Mullerian anomalies : Open controversies on uterine septum - C. Crescini (Italy)

16.20 Office hysteroscopy: the gold-standard? – E. Cicinelli (Italy)

16.40 Hysteroscopy in patients prior to IVF – C. Carravetta (Italy)

17.00 Hysteroscopic myomectomy: What else is new? - J. Hamou (France)

17.20 Discussion

II SESSION: UPDATES IN INFERTILITY

President: G. De Placido (Italy)

Chairmen: M. Petronio (Italy)

17.30 Keynote lecture: Fertility and endoscopy: from Pantaleoni to Da Vinci - A. Audebert (France)

18.00 The role of laparoscopy in the infertility work-up today - R. Campo (Belgium)

18.20 New insights on ovulation induction - J. Remohì (Spain)

18.40 ART & hCG: an overview – L. Schindler (France)

19.00 Poor responder patients: an hard challenge- J.M. Navarro-Pando (Spain)

19.20 Discussion

FRIDAY 28 MAY 2010

I SESSION: ENDOMETRIOSIS AND INFERTILITY

President: A. Audebert (France)

Chairman: G. B. Melis (Italy)

9.00 Keynote lecture: Management of endometriosis in infertility patients – P. Vercellini (Italy)

9.30 Endometriosis - associated infertility: Surgery? – A. Audebert (France)

9.50 Endometriosis - associated infertility: IVF? - E. Coccia (Italy)

10.10 Endometriosis - associated infertility: toward a consensus - L. Muzii (Italy)

10.20 Discussion

10.40 Coffee break

II SESSION: ENDOMETRIOSIS - ASSOCIATED INFERTILITY: the "Maratea Consensus"

President: I. Ardivino (Italy)

Chairmen: A. Mattei (Italy)

11.00-13.00: Consensus

13.00-15.00 Lunch

III SESSION: FERTILITY PRESERVATION IN GYNECOLOGICAL ONCOLOGY

President: J. Donnez (Belgium)

Chairmen: C. De Stefano (Italy)

15.00 Keynote lecture: Fertility preservation in young patients: where are we now? J. Donnez (France)

15.30 Fertility preservation: oocyte cryopreservation with standard technique – A. Borini (Italy)

15.50 Fertility preservation: Tissue cryopreservation – R. Fabbri (Italy)

16.10 Oocytes vitrification: approaching to new technologies – A. Cobo (Spain)

16.30 Keynote lecture: Fertility-sparing treatment: oncologic safety and reproductive outcomes - G. Scambia (Italy)

17.00 Fertility-sparing treatment in ovarian cancer and LMP tumors : which and when? - R. Angioli (Italy)

17.20 Fertility-sparing treatment in endometrial cancer: is it a standard? - S. Greggi (Italy)

17.40 Fertility-sparing treatment in cervical cancer: feasible and safe? – A. Pellegrino (Italy)

18.00 Discussion

IV SESSION: ONCOLOGICAL SURGERY

President: P. Scollo (Italy)

Chairmen: F. Maneschi (Italy)

18.10 The past, present and future of cervical cancer treatment – P. Benedetti Panici (Italy)

18.40 Open surgery or laparoscopy for Radical Hysterectomy: Same radicality and outcomes?

Pro laparoscopy: E. Vizza (Italy) Pro laparotomy: F. Raspagliesi (Italy)

19.00 Vaginal surgery or laparoscopy for radical Hysterectomy: Same radicality and outcomes? - D.Querleu (France)

19.20 Cytoreductive peritoneal surgery for advanced ovarian cancer: morbidity and technical aspects - V. Chiantera (Italy)

19.40 Discussion

SATURDAY 29 MAY 2010

I SESSION: THE FUTURE OR JUST ANOTHER METEORITE?

President: A. Wattiez (France)

Chairman: S. Schettini (Italy)

9.00 Robotics in gynecological surgery: fact or myth? - A. Maggioni (Italy)

9.20 NOTES (Natural Orifice Transluminal Endoscopic Surgery): here to stay? – J. Nassif (France)

9.40 NOTES in gynecology: - A. Allegra (Italy)

10.00 LESS (Laparo Endoscopic Single-site Surgery): an evolution in laparoscopy? - A.Fagotti (Italy)

10.20 Virtual Reality and Imaging Innovation – A. Wattiez (France)

10.40 10:40 Special Lecture: "ART in the XXI Century: the italian perspective" E. Cittadini (Italy)

10.50 Discussion

II SESSION: THE FUTURE OR JUST ANOTHER METEORITE "RELOADED"?

President: A. Chiantera (Italy)

Chairman: F. Sirimarco (Italy)

11.20 Keynote lecture: Laparoscopic surgery: The revolution continues... - A. Wattiez (France)

11.50 : MIS has really changed gynaecological oncology? - D. Querleu (Italy)

12.10: MIS has really changed the hysterectomy way? - M. Candiani (Italy)

12.30 MIS has really changed the pelvic floor surgery approach? - A. Wattiez (France)

12.50 Discussion

13.00 Concluding remarks-: Maratea, towards the X Meeting... - S. Schettini (Italy)
