

Dear Colleagues,

On behalf of Presidents Dr. Muna Tahlak and Pr. Jacques Donnez, I am pleased to share with you an overview of Endo Dubai 2018.

We hope that you can join us in Dubai and be part of this important event in the field of minimally invasive gynecological surgery.

A handwritten signature in black ink, appearing to read 'Arnaud Wattiez', with a large, sweeping underline that extends to the left.

Pr. Arnaud Wattiez

Prof OBGYN University of strasbourg - France
Head of GYN Department, Latifa Hospital, Dubai - UAE

SAVE THE DATE!
FEBRUARY 1-3, 2018

ENDO
DUBAI 2018

THIRD INTERNATIONAL EDITION

INNOVATION & BEST PRACTICES IN MINIMALLY INVASIVE SURGERY IN GYNECOLOGY

SHIFT YOUR SURGICAL AMBITION TO SURGICAL ACTION

Endo Dubai is quickly becoming a reference in minimally invasive gynecological surgery providing a forum of the highest standard for scientific, clinical and social exchange.

With a mix of expert panels, tutorials, hands-on sessions and opportunities for networking, Endo Dubai will allow you to stay ahead of the curve and continue improving your surgical practice.

Surgical Video Marathon **NEW!**

This edition will give way to Dubai's very first Surgical Video Marathon. Top surgeons will demonstrate full or partial procedures that will be relayed through real-time video feed and commented step-by-step on site. This is the best place for a surgeon to get the practical answers needed to enhance his daily practice.

Expert panels

World-renowned experts will discuss a wide range of topics including:

- Hysteroscopy
- Adnexal pathology
- Hysterectomy
- Endometriosis
- Adenomyosis
- Patient safety
- Oncology
- Operational risk management

Presidents

Dr. Muna Tahlak, CEO, Latifa Women and Children's Hospital, Dubai, U.A.E.

Pr. Jacques Donnez, Professor and Head of the Department of Gynaecology at the Université Catholique of Louvain, Belgium

Tutorials

Tutorials will provide you with practical advice that can be applied in daily practice on key procedures and topics.

Hands-on sessions

Hands-on sessions will expose you to the main challenges faced during surgery and allow you to further improve your suturing skills.

Networking

Meet gynecologists, general surgeons, endocrinologists, internal medicine practitioners as well as health administrators and legislators from around the world.

Scientific Committee

Pr. Arnaud Wattiez, Professor of OB GYN University of Strasbourg, France and Head of GYN Department, Latifa Hospital, Dubai, UAE

Dr. Rihab Awad, MD, Mitera Clinic, Dubai, UAE

Dr. Mohamed Ibrahim, MD, Egypt

INNOVATION & BEST PRACTICES IN MINIMALLY INVASIVE SURGERY IN GYNECOLOGY

AGENDA AT A GLANCE

Thursday, February 1 st		Friday, February 2 nd			Saturday, February 3 rd		
Main Room		Main Room	Room A	Room B	Main Room	Room A	Room B
Opening & introductory sessions on innovation in minimally invasive surgery	HOT Session 1 (Hands On Training)	Keynote lecture			Keynote lecture		
		Plenary 1 Hysteroscopy 1	Oncology	Tutorial 1 Sacrocolpopexy	Plenary 5 Endometriosis 1	Video Communications	Tutorial 5 Hysterectomy from Simple to Complex
	HOT Session 2	Coffee break			Coffee break		
	HOT Session 3	Plenary 2 Hysterectomy	Adnexal Pathology	Tutorial 2 Complications	Plenary 6 Endometriosis 2	Patient Safety and Operative Risk Management	Tutorial 6 Lymphadenectomy Made Simple
	HOT Session 4	Lunch and sponsored symposium or debate			Lunch and sponsored symposium or debate		
	Surgical Marathon	Plenary 3 Best Abstracts Presentation	Hysteroscopy 2	Tutorial 3 Energies	Plenary 7 Endometriosis 3	Uterine and Vaginal Malformations	Tutorial 7 The Ureter
		Coffee break			Coffee break		
		Plenary 4 Adenomyosis	Clinical Case	Tutorial 4 Hysteroscopic Morcellation	Plenary 8 Endometriosis 4	Implementing a Pathway for Daycase Hysterectomy	Tutorial 8 Fibroids/ICG
		Get together with experts: Video corner					
	Opening ceremony Cocktail reception in the exhibition		Gala Dinner			Faculty Dinner	

Venue

Endo Dubai 2018 will take place at the Mohammed Bin Rashid University of Medicine and Health Sciences, one of Dubai's top centers for healthcare research in the heart of the Dubai Healthcare City.

Registration

To join the leading experts in gynecological surgery and learn about the latest advances in minimally invasive surgery, register online at www.endo-dubai.ae

Early bird rates apply until January 8th 2018. The Registration Fee includes access to all sessions, lunches and coffee breaks.

Registration fee	Physicians	Affiliated*	Resident / Fellow
Early Bird Registrations (valid until January 8 th 2018)	AED 1863,00 USD 500,00	AED 1652,00 USD 450,00	AED 1285,00 USD 350,00
Late Registrations	AED 2020,00 USD 550,00	AED 1836,00 USD 500,00	AED 1652,00 USD 450,00
Onsite Registrations	AED 2203,00 USD 600,00	AED 2020,00 USD 550,00	AED 1836,00 USD 500,00

DAY 1: FEBRUARY 1ST

Preliminary program*:

08:00 - 08:30	Welcome and introductory remarks
08:30 - 09:30	Navigating the pelvic anatomy
09:30 - 10:30	Exploring the route of the ureter and the rules of its dissection
10:30 - 11:30	Revisiting techniques to prevent bleeding in myomectomy
11:30 - 12:30	Dissection of the medial spaces for sacrocolpopexy
12:30 - 13:30	Exploration of the lateral spaces for benign and malignant diseases
	<i>OPEN LUNCH</i>
13:30 - 14:30	Dissection of the neural bundles in the pelvis
14:30 - 15:30	Dealing with bowel endometriosis
15:30 - 16:30	Alternative energies to dissect the pelvis
16:30 - 17:30	Alternative approaches to difficult hysterectomies
17:30 - 18:30	Dealing with a frozen pelvis
18:30	Final remarks

HOT sessions in parallel: 90 minutes suturing training led by tutors

SURGICAL MARATHON in parallel: live video streaming of surgical procedures performed by experts

DAY 2: MAIN ROOM

- 08:30 - 09:00** Keynote lecture: Updates in techniques to preserve fertility in young patients affected by endometriosis
- 09:00 - 10:30** Plenary session 1: Hysteroscopy 1
- 09:00 Making the best out of outpatient hysteroscopy*
09:15 Limiting patients' pain in office hysteroscopy
09:30 Update in ablation techniques
09:45 Hysteroscopic center
10:00 What is left for in-patient hysteroscopy
- 10:30 - 11:15** **COFFEE BREAK**
- 11:15 - 12:30** Plenary session 2: Hysterectomy
- 11:15 Difficult situations and ways to proceed: how to make the impossible possible?*
11:30 Preventing prolapse post hysterectomy? Does the technique of vaginal closure matter?
11:45 Mini laparoscopic hysterectomy: the future
12:00 Vaginal hysterectomy using vessel sealing devices: a new technique!
12:15 The woman in the mirror
- 12:30 - 14:00** **LUNCH AND SPONSORED SYMPOSIUM OR DEBATE**
- 14:00 - 15:30** Plenary session 3: Ten Best Abstracts Presentation
- 15:30 - 17:00** Plenary session 4: Adenomyosis
- 15.30 Prevalence and diagnosis*
15.45 Imaging of adenomyosis
16.00 Medical treatment
16.15 Hysteroscopic approach
16.30 Laparoscopic approaches
16.45 Original hysteroscopy approach for diffuse adenomyosis
- 17:00 - 18:30** Get together with experts: Video corner

09:00 - 10:30

Oncology

09:00 Laparoscopic management of borderline tumors

09:15 Update in Endometrial Cancer

09:30 Benefits, Indications and techniques in sentinel lymph node

09:45 Tips and tricks in radical hysterectomy

10:00 Paraaortic lymphadenectomy: Lessons learned after 1,000 cases

10:15 Discussion

10:30 - 11:00

COFFEE BREAK

11:00 - 12:30

Adnexal Pathology

11:00 Laparoscopic management of suspicious tumors

11:15 Tubal surgery in infertile patients

11:30 Is there still a place for a conservative surgical treatment of an ectopic pregnancy

11:45 Laparoscopic management of tuboovarian abscess

12:00 Conservative management in twisted adnexa: when?

12:15 Discussion

12:30 - 14:00

LUNCH AND SPONSORED SYMPOSIUM OR DEBATE

14:00 - 15:00

Hysteroscopy 2

14:00 Myomas: How big is too big

14:10 Treatment of isthmocele

14:20 Modern management of hiperplasia

14:30 Update in hysteroscopic sterilization

14:40 Asherman and other sticky situations

14:50 Cesarian induced isthmocele and scar pregnancy

15:00 - 15:30

COFFEE BREAK

15:30 - 17:00

Clinical Cases: Challenge the Experts

Case 1: One ovarian cyst in a young patient without actual desire of pregnancy

Case 2: RV Nodule in a 26 years old patient, dysmenorrhea and mild dyschesia

Case 3: 17 years old Adolescent with severe dysmenorrhea

17:00 - 18:30

Get together with experts: Video corner

- 09:00 - 10:00** **Tutorial 1: Sacrocolpopexy**
Everything you should know to do a laparoscopic sacrocolpopexy
- 11:00 - 12:00** **Tutorial 2: Complications**
How to prevent and to deal with laparoscopic complications
- 12:30 - 14:00** ***LUNCH AND SPONSORED SYMPOSIUM OR DEBATE***
- 14:00 - 15:00** **Tutorial 3: Energies**
Surgeons do not know what they don't know on Energies!
- 16:00 - 17:00** **Tutorial 4: Hysteroscopic morcellation**
Hysteroscopic morcellation and alternatives
- 17:00 - 18:30** **Get together with experts: Video corner**

- 08:00 - 09:00** Keynote lecture: Pelvic pain: the patient in the center of the picture OR Presidential Address
- 09:00 - 10:30** Plenary session 5: Endometriosis 1, from understanding to diagnosis
- 09:00 From physiopathology to clinical practice*
09:15 Pre-operative planning and the role of various imaging modalities
09:30 Which is the role of clinical evaluation in the imaging era?
09:45 Can we spare patients from surgery with medical treatment?
10:00 Post-operative imaging techniques to follow-up patients
10:15 Discussion
- 10:30 - 11:00** **COFFEE BREAK**
- 11:00 - 12:30** Plenary session 6: Endometriosis 2, Infertility and fertility preservation
- 11:00 Results of surgery in infertile women*
11:15 Ovarian tissue cryopreservation: what indications when and how?
11:30 New ART technologies for fertility preservation
11:45 Ovarian reserve and surgery
12:00 Optimal treatment of recurrent endometrioma in infertile patients
12:15 Discussion
- 12:30 - 14:00** **LUNCH AND SPONSORED SYMPOSIUM OR DEBATE**
- 14:00 - 15:30** Plenary session 7: Endometriosis 3, Endometriosis is a social disease
- 14:00 Endometriosis and sexuality*
14:15 Endometriosis in adolescence: would an early treatment be beneficial
14:30 Social cost of Endometriosis: the role of insurances and health authorities
14:45 Patient point of view: role of patient associations in endometriosis awareness
15:00 Center of excellence or excellent center?
15:15 Discussion
- 15:30 - 16:00** **COFFEE BREAK**
- 16:00 - 17:30** Plenary session 8: Endometriosis 4, Endometriosis surgical technique and outcomes
- 16:00 Surgical principles in the management of Endometriosis*
16:15 Nerve sparing techniques in endometriosis
16:30 Surgical options for bowel endometriosis
16:45 Does the results of surgery last in time and what are the conditions
17:00 Decision making process and results in hysterectomy in young patients with endometriosis
17:15 Discussion

- 08:30 - 09:00** Keynote lecture: Pelvic pain: the patient in the center of the picture
OR Presidential Address
- 09:00 - 10:30** Video Communications
- 10:30 - 11:00** **COFFEE BREAK**
- 11:00 - 12:30** Patient safety and operative risk management
- 11:00 Consenting in laparoscopic surgery*
11:15 Sharing the complication with the patient (or Supporting decision making and consents in the era of information explosion TBC)
11:30 How to keep your brain in case of complications
11:45 How to involve patient in preventing complications occurrence
12:00 Specified check-list: how to do it
12:15 Discussion
- 12:30 - 14:00** **LUNCH AND SPONSORED SYMPOSIUM OR DEBATE**
- 14:00 - 15:30** Uterine and vaginal malformations
- 14:00 Benefits of the new classification*
14:15 Surgical technique for RKH
14:30 Alternative laparoscopic techniques
14:45 Hysteroscopic management of total genital septum
15:00 Psychological aspects in patients with genital malformation
15:15 Discussion
- 15:30 - 16:00** **COFFEE BREAK**
- 16:00 - 17:30** Implementing a pathway for Day-case hysterectomy
- 16:00 How anesthetic technique can help early discharge*
16:15 Fast track surgery: the American experience
16:30 What are the benefits?
16:45 Feasible but safe???
17:00 Is there specific patient information needed?
17:15 Discussion

- 08:30 - 09:00** Keynote lecture: Pelvic pain: the patient in the center of the picture
OR Presidential Address
- 09:00 - 10:00** Tutorial 5: Hysterectomy
Hysterectomy from simple to complex
- 11:00 - 12:00** Tutorial 6: Lymphadenectomy
Lymphadenectomy made simple
- 12:30 - 14:00** ***LUNCH AND SPONSORED SYMPOSIUM OR DEBATE***
- 14:00 - 15:00** Tutorial 7: Ureter
The ureter
- 16:00 - 17:00** Tutorial 8: Fibroids / ICG
Fibroids/ICG

ENDO DUBAI: REGISTER

Join the leading experts in gynecological surgery to learn about the latest advances in minimally invasive surgery.

The **Registration Fee** includes access to all sessions, lunches and coffee breaks.

Registration fee	Physicians	Affiliated*	Resident / Fellow
Early Bird Registrations (valid until January 8 th 2018)	AED 1863,00 USD 500,00	AED 1652,00 USD 450,00	AED 1285,00 USD 350,00
Late Registrations	AED 2020,00 USD 550,00	AED 1836,00 USD 500,00	AED 1652,00 USD 450,00
Onsite Registrations	AED 2203,00 USD 600,00	AED 2020,00 USD 550,00	AED 1836,00 USD 500,00
